SUMMARY

Motivated Electronics and Communication Engineering student (3rd year, CGPA: 8.34) at V.S.B Engineering College with hands-on experience in Java, full-stack web development, IoT, and AWS cloud services. Recognized at IIT Bombay's Eureka! 2025 for agri-tech innovation, and passionate about building impactful, technology-driven solutions.

EDUCATION

B.E. 09/2023 – 05/2027

V.S.B Engineering College, Karur

Currently pursuing B.E. in Electronics and Communication Engineering (3rd year) from V.S.B Engineering College, Karur, with a current CGPA of 8.34

HSC 06/2022 – 04/2023

Government Hr. Sec. School, Malaikovilur

Completed Higher Secondary Education with Mathematics stream from Govt Hr. Sec. School, Malaikovilur in 2023 with 78%.

SSLC 06/2020 – 04/2021

Amala Girls' Higher Secondary School

Completed my SSLC from Amala Girls' Higher Secondary School, Musiri in 2021 with 100%.

SKILLS

- Java programming
- Web development
- AWS (Basics)
- IoT
- SQL

CERTIFICATIONS

- Certified by Infosys for java programming
- Salesforce Agentforce - Blazer Level 2
- AWS Educate – Introduction to Cloud 101
- AWS Educate – Introduction to Generative AI
- AWS Educate – Machine Learning Foundations
- Cisco - Introduction to IoT

PROJECTS

Home Automation

Engineered a smart home automation solution to remotely monitor and control household appliances using Raspberry Pi Pico, applying practical IoT and embedded systems knowledge

Solarpower cold storage

Developing a solar energy-powered cold storage unit to reduce post-harvest agricultural losses, integrating renewable energy with IoT-based temperature monitoring.

Vasthira – Intelligent Consumer Experience Platform (Ongoing)

Designing and building an AI-driven recommendation engine for personalized fashion experiences, leveraging machine learning and full-stack development skills

ACHIEVEMENTS

Eureka! 2025 Semifinalist

IIT Bombay

- Selected among top innovators nationally for Agri Aura — a platform reimagining agricultural distribution and pricing through data-driven technology.

Won Second Prize for Paper Presentation

Paavai Engineering College, Namakkal

- Awarded for Vasthira, an innovative AI-powered fashion platform, demonstrating strong research and technical communication skills.

Badge in IoT

- Earned a Bronze Badge in IoT certification from NASSCOM FutureSkills
